

**camping**

**ninja**

**the future of  
online campsite  
booking...**

Campingninja is the first independent website where campers will be able to find a campsite and make a confirmed booking online.

**For the campsite:**

campsite has control of their own page

we match the right customers to the right campsites

can fulfill huge consumer demand for online booking

it's free

additional place to sell available pitches

reduce workload

simple and easy to use

compatible with any and every booking system

backed by the travel industry

[www.campingninja.com](http://www.campingninja.com)

**For the camper:**

sophisticated and intuitive search function

save and share search results, favourite campsites and bookings

live availability information

fast, secure, confirmed reservation

read and write user reviews

no more frustration and wasted time

one stop shop for camping info

access to info about local events and activities

**Campingninja - connecting the right campers to the right campsites**

Contact Campingninja to find out how we can work together...

e-mail: [rhian@campingninja.com](mailto:rhian@campingninja.com) or [geoff@campingninja.com](mailto:geoff@campingninja.com)

phone: 0118 942 1307 website: [www.campingninja.com](http://www.campingninja.com)

You can find us on Facebook and Twitter as "Campingninja"

This flyer is brought to you by a customer who would like to book your campsite on-line - why not try it?
